The School Emblem: A Symbol of Harmony and Enlightenment

Our school emblem beautifully represents the harmony of the five fundamental elements of life—Earth, Water, Fire, Air, and Ether—which are both the foundation of the universe and vital to our existence.

The emblem also symbolizes the nurturing aspects of nature. The hills and earth offer us lush vegetation and fruits, while the rivers and the sun provide water and light, enriching our lives ceaselessly. Embracing these principles can lead to a mind rich with prosperity and insight.

Central to our emblem is the motif of the Sun, representing 'Gyan' or knowledge. Through meditation and the focussed mind, one can achieve a fearless intellect. The Illumined Lamp within our emblem stands for 'Vivek' (Wisdom), guiding us to make decisions with integrity and without bias.

Above all, the Divine Hand depicted in the emblem reassures us of spiritual enlightenment and the continuous flow of wisdom from above.

School Motto

“उत्तिष्ठत जाग्रत प्राप्य वरान्निबोधत”

(Awake, Arise, and Receive Knowledge from enlightened ones)

This emblem and our motto together charge us to become worthy recipients of profound enlightenment, inspiring every student to strive for knowledge, wisdom and personal growth. This guiding principle emphasizes the pursuit of excellence, the value of learning from those who lead by example and the transformative power of knowledge in shaping a brighter future. At its core, it calls for a journey of self-discovery and growth, driven by discipline, perseverance and commitment to lifelong learning.

The Helm of Affairs

Members of Manas Sthali Trust

Mr. Satyendra Prakash Goel

A Sport Enthusiast and Dynamic President

Mr. Satyendra Prakash Goel, President of Manas Sthali Trust, is a true champion of sports whose dedication to athletic excellence inspires us all. His disciplined approach, combined with visionary leadership and unwavering confidence, has transformed the educational experience into one that emphasizes holistic development and elevated the school to stand among the most prestigious institutions in the region. Known for his strong mentorship, dedication and innovative thoughts, he fosters a culture of excellence, inspiring both students and teachers to strive for greatness in all aspects of school life. His commitment to education and one to one connection with students, parents and staff continues to shape the future of our school.

Message from the Principal

उद्यमेन हि सिध्यन्ति कार्याणि न मनोरथैः । न हि सुप्तस्य सिंहस्य प्रविशन्ति मुखे मृगाः । ।

In today's fast-paced world, where competition is fierce and success is measured by one's ability to adapt and excel, it has become increasingly necessary for individuals to not only possess academic knowledge, but also the skills and values that will enable them to navigate through life with confidence and integrity. As the Principal of Manas Sthali Residential School, it is my endeavour to foster a learning environment that nurtures holistic development and prepares our students to face the challenges of tomorrow.

One of the primary objectives of our institution is to instil a sense of diligence and perseverance in our students. It is our belief that success can only be achieved through hard work and determination, and that mere desires and aspirations are not enough to achieve greatness. By encouraging our students to channel their efforts towards their goals and to never give up in the face of obstacles, we hope to imbue them with the resilience and tenacity necessary to excel in their chosen paths.

Furthermore, we emphasize the importance of discipline and self-control in shaping the character of our students. We believe that a disciplined mind and body are essential for success in both academic and personal endeavours, and that by cultivating habits of punctuality, obedience, and responsibility, our students will not only achieve academic excellence, but also become responsible citizens and leaders in their communities.

Additionally, we place a strong emphasis on moral and ethical values in our curriculum. We believe that education is not merely about acquiring knowledge, but also about developing a sense of empathy, compassion, and integrity. By teaching our students the importance of honesty, respect, and kindness, we aim to nurture individuals who will not only excel in their careers, but also contribute positively to society.

In conclusion, it is my firm belief that education is not just about academic excellence, but also about character building and personal growth. Through a combination of academic rigor, discipline, and moral values, we aim to provide our students with a well-rounded education that will equip them to face the challenges of the future with confidence and grace. Together, let us strive to create a community of learners who are not only academically competent, but also ethically sound and socially responsible.

Manas Sthali – An Insight

Manas Sthali is a distinguished co-educational, fully residential institution, catering to students from classes III to XII. Affiliated with CBSE, New Delhi, the school was founded on 22nd April 1989. The foundation stone of school was laid by the renowned director, producer and writer Shri Ramanand Sagar who is best known for his direction of the iconic TV serial Ramayana. The school operates under the auspices of the "Manas Sthali Trust," an independent charitable organization.

Nestled in the serene surroundings of Faridpur, Bareilly, the school's campus spans 30 acres of lush greenery, located just 19 km from Bareilly city on the Bareilly-

Lucknow road in Uttar Pradesh. With English as the medium of instruction, the institution has flourished over the past 35 years, nurturing the growth of around 4,500 students, supported by a dedicated staff of approximately 100 members.

Manas Sthali is committed to providing equitable educational opportunities for all students, fostering their academic, personal, and social development. The institution values the unique potential of each individual, emphasizing their role not only within the school but also as valuable contributors to society and the nation.

- Our school is dedicated to providing the highest quality of holistic education, nurturing both the academic and personal growth of our students.
- We strive to cultivate a strong character, team spirit, dedication, patriotism, and a deep desire to serve the nation, instilling these core values in every student.
- We focus on the overall development of our students by fostering leadership, teamwork, career guidance, and spiritual growth, empowering them to become well-rounded individuals.
- Our curriculum is a harmonious blend of cultural, literary, and extracurricular activities, designed to enrich the intellectual and creative potential of each student.
- With a team of highly qualified and dedicated staff, our students are offered a diverse range of opportunities and activities, enabling them to explore their passions and achieve excellence.
- Inculcate life values for self-awareness as Indian and global citizen.
- Experiential learning at every level in every subject.
- Integration of technology into education as a tool of learning and innovation.
- Student centred learning environment
- Cultural and artistic excellence along with academics.

Our Ideology and Philosophy

At Manas Sthali, education is not just about acquiring knowledge or skills; it's about fostering holistic development that shapes character and purpose. We believe education should empower individuals to overcome life's challenges and cultivate spiritual and emotional strength.

Our approach nurtures students across five essential dimensions: Physical, Emotional, Intellectual, Vital, and Spiritual. By doing so, we guide students toward achieving balance in life, enabling them to become leaders with enlightened intellect, emotional resilience, and a sense of universal love.

We emphasize the principle of **'Give and Take'**—recognizing that as we receive from nature and society, we must also give back through selfless service. This philosophy helps students appreciate the importance of gratitude, compassion, and responsibility toward others.

Through this unique blend of academic excellence and moral education, we aim to cultivate well-rounded individuals who are not only successful in their personal lives but also contribute meaningfully to society.

Sports and Recreation

Our school offers a diverse range of world-class sports facilities designed to nurture both physical fitness and sportsmanship. From the expansive football ground to the cricket practice nets, each space encourages our students to pursue their passion for sports. The sleek skating rink, the badminton and basketball courts, and the half Olympic-sized swimming pool provide avenues for skill development and recreational enjoyment. Our equipped gym promotes strength and fitness, while the indoor sports halls allow for year-round activity in a variety of sports.

Safety and Security

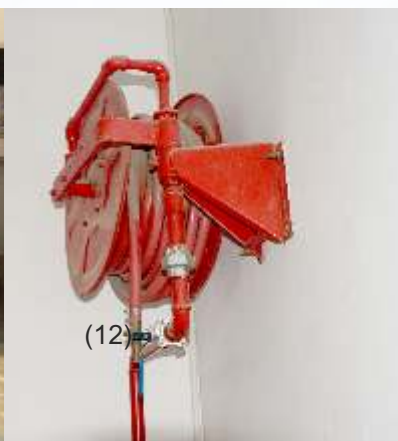

Round The Clock Security

We are equipped with a robust 24-hour CCTV surveillance network that ensures constant monitoring of the entire campus. Round-the-clock security personnel maintain a vigilant presence, ensuring a safe and secure environment for our students.

Fire Protection System

Our School is equipped with a cutting edge fire safety system to ensure the utmost safety for our students and staff. With strategically placed fire extinguishers, we ensure a proactive approach to fire safety and protection.

Residential Life at Manas Sthali

Hostel Facilities:

Our school provides a vibrant residential life with six distinct hostels—Ram, Lakshman, Bharat, Shatrughan for boys and Urmila and Mandvi for girls—each fostering a close-knit community where students can feel at home. Every hostel is thoughtfully designed to ensure comfort and camaraderie, with spacious common room serving as a hub for relaxation, recreation, and bonding among students. To further enhance this sense of belonging, each hostel has a dedicated house master residing within, offering guidance, support, and supervision round the clock. This nurturing environment encourages students to grow not only academically but also socially, ensuring they thrive in a balanced and secure setting.

Meals and Nutrition:

At our school, we prioritize the health and well-being of our students by providing nutritious, balanced meals that fuel both body and mind. Our carefully curated menu offers a variety of fresh, wholesome foods, crafted to meet the dietary needs of growing students while promoting healthy eating habits. From delicious, home-style meals to seasonal fruits and snacks, milk and green vegetables, every bite is designed to support academic performance and physical vitality. We believe that proper nutrition is the foundation for success, and we ensure that our students are always well-nourished, energized, and ready to take on the day.

Academic Excellence

Curriculum:

At our school, we follow CBSE curriculum. Our teaching methodologies are deeply rooted in the CBSE pedagogy, ensuring that students not only gain knowledge but also develop critical thinking, problem-solving skills, and a love for learning. For our senior students, we offer a broad spectrum of choices across all three streams—Science, Commerce, and Humanities—allowing them to explore their passions and prepare for a successful future. Our curriculum equips students with the tools they need to excel in academics and beyond.

Co- curricular Activities : Cultural programs: Our school's cultural programs are a celebration of creativity, talent, and tradition. Through a wide array of events, from vibrant dance and music performances to theatrical productions and art exhibitions, students are encouraged to explore and showcase their artistic abilities. These programs not only provide a platform for self-expression but also foster teamwork, confidence, and a deeper appreciation of diverse cultures. By embracing both modern and traditional art forms, our cultural programs ignite passion and inspire students to take pride in their heritage while preparing them to shine on the global stage.

Unmatched Sports Facilities: Our expansive, well-maintained playgrounds and specialized sports facilities provide students with ample opportunities to engage in a wide variety of physical activities, ensuring they build strength, discipline, and teamwork.

Vast Playgrounds: Our sprawling playgrounds are designed to accommodate numerous outdoor sports and recreational activities, providing the perfect space for students to stretch their legs and thrive in a healthy environment.

Diverse Sports Activities: Whether it's scoring goals or hitting a winning shot, we offer a wide range of sports activities to cater to every student's interest.

Basketball & Badminton: Our basketball courts are designed to meet state-level standards, providing a professional-grade environment for both practice and competition. Over the years, they have proudly hosted numerous prestigious tournaments, becoming a hub for budding athletes to showcase their talent and hone their skills.

Table Tennis: A fun yet challenging sport, our table tennis facilities sharpen reflexes and focus.

Football & Cricket: With large fields dedicated to football and cricket, students can develop teamwork and strategic thinking while engaging in these popular sports.

Archery: A unique offering, our archery range allows students to master precision and concentration in a safe, controlled environment.

Taekwondo: This Korean martial art helps students build self-discipline, respect, and confidence through expert-led training.

Skating: Students can enjoy the thrill of skating on our dedicated tracks, improving balance and coordination.

Swimming: Our half Olympic size swimming pool offers students a refreshing way to stay active, with swimming lessons and competitions fostering physical endurance.

Physical Education

At Manas Sthali, physical education is an integral part of our curriculum, designed to promote overall well-being and a lifelong love for fitness. Through a structured program of sports, physical activities, and dynamic workouts, we ensure that students build strength, agility, and endurance.

Yogic Exercises

Our focus on holistic health extends to the mind and spirit through regular yogic exercises. Guided by expert instructors, students practice yoga to improve flexibility, mental clarity, and emotional balance, creating a foundation for wellness that goes beyond the classroom.

Clubs and Societies
